**STIPULATION AND**  
**[PROPOSED] ORDER**  
**REGARDING MODIFICATION**  
**TO CASE SCHEDULE**

1 By order of February 14, 2006 (Exhibit A hereto), this Court set various pre-  
2 trial deadlines in this action. The Order provides that expert disclosures/reports are  
3 to be filed 63 days before the close of expert discovery, and that rebuttal experts are  
4 to be disclosed 49 days before the close of expert discovery. The parties wish to  
5 modify the schedule in order to allow them sufficient time to conduct a mediation  
6 (currently scheduled for July 26), prior to beginning expert disclosures. The parties  
7 also need a short extension to complete non-expert discovery as to compensatory  
8 damages. The parties therefore stipulate to the following modified schedule:

	Old Date	New Date
Final date for completion of non-expert discovery on compensatory damages and, if necessary, on the issue of decedent's domicile:	June 30, 2006	July 14, 2006
Initial expert disclosures/reports:	June 15, 2006	August 10, 2006
Rebuttal expert disclosures/reports	June 29, 2006	August 31, 2006
Last day to complete mediation:	July 31, 2006	July 31, 2006
Parties to submit joint report to court advising whether: (a) the cases are to be tried on compensatory damages only; (b) whether discovery on liability and/or punitive damages is required; and (c) whether dispositive or partially dispositive motions will be filed:	August 4, 2006	August 7, 2006
Further case management conference:	August 7, 2006 at 10:00 a.m.	August 14, 2006, at 10:00 a.m.
Close of expert discovery on compensatory damages:	August 17, 2006	September 15, 2006
